

**The Salvation Army Northern Division  
Bell Ringing Contacts for Minnesota Service Extension Counties**

Even in areas where we don't have a Salvation Army building, we provide services to people in need through our Service Extension program, which relies heavily on volunteers to operate (Learn about the program at [SalvationArmyNorth.org/servext](http://SalvationArmyNorth.org/servext)).

Volunteers bell ring in these communities to help raise funds to provide those services. Contact the bell ringing representative for your county below to get started.
