

**The Salvation Army Northern Division
Bell Ringing Contacts for North Dakota Service Extension Counties**

Even in areas where we don't have a Salvation Army building, we provide services to people in need through our Service Extension program, which relies heavily on volunteers to operate (Learn about the program at: SalvationArmyNorth.org/servext).

Volunteers bell ring in these communities to help raise funds to provide those services. Contact the bell ringing representative for your county below to get started.
